

Student Terms & Conditions

Last updated: August 4th, 2018

Please read the following with attention and care. Your access to and use of the service offered by Parking4Students.com is conditioned on your acceptance of and compliance with the terms listed below. Failure to respect any of the terms will result in a one-time warning followed by a termination of your account.

Parking your vehicle

Once Parking4Students.com sends you your host's address and contact information, you will be able to park on their parking space from Monday to Friday. When parking your vehicle, you must occupy as little space as possible and ensure that you are not blocking the entrance for other vehicles to come in, unless otherwise specified by the host. We strongly recommend that you contact your host to introduce yourself before parking for the first time. Parking with Parking4Students.com is STRICTLY reserved for school and no other activity.

Behavior on the property

Your behavior on the property must be impeccable. Please remember that you are being hosted on a private parking space and that you must respect the host's intimacy. As such, you are not allowed to scream, run, push or act in any other disrespectful way. You are not allowed to leave any items behind, including trash, school work, etc. Parking on the space and exiting from it shouldn't take more than 10 seconds. Make yourself as little noticeable as possible.

Communicating with your host

Because Parking4Students.com is operated by students, we understand how busy you can be. However, it is very important that you keep in touch with your host. If you are going to leave school late because of an unfinished essay or arrive a little early in the morning before an exam, you must contact your host beforehand, ideally 24 hours prior. In the case of an unexpected event, the best thing to do is to explain the situation to your host and apologize for it.

Carpooling

We strongly recommend that you find yourself some friends to travel with. Doing so will cut down your parking costs and make the trip even more fun. If ever you are unable to find students to travel with, you can always ask your school or visit the carpool section on our website.

Payments

All payments are processed through Stripe. Once we have matched you with a host, we will send you a confirmation link to our website where you will be able to pay. Prices are fixed at 109 \$ CAD per month, cancelable anytime. Parking4Students.com operates as a non-profit and thus only takes commissions to cover business expenses.

Privacy

All of your personal information remains confidential and will never be shared.
